PR069/22
11 November 2022

MTR Welcomes the Authorisation
of the Railway Scheme for Kwu Tung Station

The MTR Corporation welcomes the Government's authorisation today (11 November 2022) of the addition of Kwu Tung Station under the Railways Ordinance (Cap. 519).

Kwu Tung Station will be located between Lok Ma Chau Station and Sheung Shui Station in the town centre of the future Kwu Tung North New Development Area (KTN NDA) and upon completion of the new station, the journey time between the KTN NDA and Sheung Shui will be significantly shortened. The project is in the detailed design stage and the construction works are expected to commence next year (2023) with an expected completion in 2027. The Corporation is working closely with relevant stakeholders with a view to put forward the construction as soon as possible.

-End-

About MTR Corporation

To Keep Cities Moving, MTR makes encounters happen and rendezvous for a more connected tomorrow. As a recognised world-class operator of sustainable rail transport services, we are a leader in safety, reliability, customer service and efficiency.

MTR has extensive end-to-end railway expertise with more than 40 years of railway projects experience from design to planning and construction through to commissioning, maintenance and operations. Going beyond railway delivery and operation, MTR also creates and manages dynamic communities around its network through seamless integration of rail, commercial and property development.

With more than 40,000 dedicated staff*, MTR carries over 13 million passenger journeys worldwide every weekday in Hong Kong, the United Kingdom, Sweden, Australia and Mainland China. Together, we Go Smart and Go Beyond.
